

# Lighted Gardens ~ Wedding Cakes

Lighted Gardens has been making Wedding Cakes for over 25 years! Using the finest ingredients and our "Secret Recipe" Buttercream frosting, your cake is sure to be the highlight of your reception. We are pleased to bake and decorate your cake per your instructions. If you have seen a recent design in a book or magazine that you like, bring it along when placing your order. If we need to color match your cake decorations to your wedding flowers or dresses, please bring us a color sample. We also have a large portfolio of designs for you to choose from. Your cake design and selection is due one month in advance. If your cake is to be delivered to another location than Lighted Gardens, a Security Deposit is applicable. The Security Deposit is refunded upon return of all cake plates, pillars and pieces with no damage or missing items.

We are pleased to cut and serve any wedding cake at our facility at no charge! However, if we are requested to wrap and box leftover wedding cake that has not been provided by Lighted Gardens, a charge for bakery boxes will be incurred by the customer
